

DECO-GRANIT

DECORATIVE COATING GRANITE FINISH INTERIOR

TECHNICAL DEFINITION

Decorative, visible-grain coating in ready-to-use paste form for spraying onto interior walls and ceilings.

Highly white, matt and filling, DECO-GRANIT is dotted with small marble grains, which help to smooth out irregularities in the substrate.

COMPOSITION AND APPEARANCE

Emulsion acrylic resin, mineral filler, marble grains, conservation agent and various additives.

The paste is white and designed for spray-on coating.

COVERINGS

DECO-GRANIT can be left unpainted or covered with paint.

SUITABLE SUBSTRATES

- More or less "bubbled" concrete.
- Aerated concrete.
- Plaster finishes
- Cement renders.
- Plasterboard.
- Earthenware blocks.
- Old paintwork.
- Plaster blocks.

DOCUMENTS TO CONSULT

DTU 59.1.

PACKING

25 kg pails.

STORAGE

6 months in unopened original packing protected from frost and high heat.

APPLICATION

PRECAUTIONS FOR USE

Do not use when temperatures are below 5°C or on frozen substrates.

If DECO-GRANIT is destined to be painted, wait at least 3 days before covering.

Plasterboard must be primed.

PREPARATION OF SURFACES BEFORE APPLICATION

The substrate must comply with DTU 59.1, i.e. be clean, dry, free of dust and of any trace of stripping oil.

Sand and wash down old paintwork.

For very rough substrates, apply a first coat of smoothing filler (SEMIN GROS, SEMIN DEGROSSISSAGE, SOLIDECOR GARNISSANT, etc.).

APPLICATION

To obtain a decorative finish, spray on (using any type of sprayer) while adjusting the product flow, the airflow and the nozzle for different finishes.

Clean tools in water.

DRYING TIME

Approximately 24 to 48 hours depending on the quantity applied.

CONSUMPTION

For decorative effects: approximately 1.5 kg/m² depending on the texture.

TECHNICAL CHARACTERISTICS

Dry matter: 71 %. Density: 1.6.

ASSOCIATED PRODUCTS

SEMIN SOUS-COUCHE as undercoat primer for plasterboard.

TRADITIONAL SPRAY-ON COATING

Thanks to its specific formulation including fine and highly white marble grains, DECO-GRANIT allows to achieve a refined and aesthetic finish.

Designed for mechanical spray-on application, it is an ideal and fast solution for large-scale jobs.

ADVANTAGES

- Absolute whiteness.
- Conceals minor background defects.
- Decorative marble grains.

APPLICATION TIP

For consistent application of the coating, make regular circles with the spray nozzle.
